Erratum to Draft Proposed Order

The Draft Proposed Order should be amended on page 1 to read as follows:

Pursuant to notice as required by law and the rules and regulations of the Commission, a prehearing conference was held on August 21, 2008. Illinois Bell's Petition for Leave to Intervene was granted. Petitioner, Commission Staff and Illinois Bell appeared. Staff requested an additional status hearing date in order for Petitioner to respond to Staff issued Data Requests.

On September 9, 2008 a status hearing was held. Staff stated that Staff had received satisfactory responses to the Staff Data Requests tendered to IQ Telecom. The parties stated that no issues were presented by ~~the~~ IQ Telecom's petition. The parties agreed that Staff would prepare a Draft Proposed Order for the Commission's disposition.
